

Therapy Summer Camps

www.unitedservicesforchildren.org

All camps will require a short in-person screening with your child to ensure a good fit for the program as a part of the registration process.

Session 1: June 2–5, 2025

Let's Get Moving!

Age 2.5 – 4 years 10 a.m. – noon

Kids engage in skill-based activities led by an Occupational Therapist to increase strength, motor planning, and sensory processing.

Sensory Play with Food

Age 3.5 – 5.5 years 10 a.m. – noon

A camp led by an Occupational Therapist focusing on introducing and increasing exposure to a variety of foods through theme-based activities including sensory exploration and food-based crafts.

Tuition: \$200 per camp

Session 2: June 9–12, 2025

Speech Phonology Camp

Age 3.5 – 5.5 years 10 a.m. – noon

A speech sound enrichment camp led by a Speech-Language Pathologist focusing on increasing awareness of phonological process patterns and improving speech sound skills through theme-based activities and group speech practice.

Vocabulary Camp

Age 2.5 – 4 years 10 a.m. – noon

A language enrichment camp led by a Speech-Language Pathologist focusing on increasing vocabulary through theme-based activities and group language practice. This camp is appropriate for children with a vocabulary of at least 50 words.

ABA Social Skills Camp "Social Squad"

Age 4 – 8 years 10 a.m. – noon

A camp focusing on enhancing important behaviors and positive social interaction through play. This camp is for kids with some beginner social skills to learn initiating peer interactions, losing in luck-based games, and early conversation.
